YMCA Financially Assisted Membership

Welcome to the YMCA Financially Assisted Membership program. Our Financial Assistance program serves those individuals and families who have the greatest need in our community, those individuals that are unable, but not unwilling to pay the full fee. We will make every effort to accommodate all those people who wish to participate in YMCA programs. It is not possible to join the YMCA for free. Everyone must pay some portion of the membership fee. A financial agreement will be worked out that is acceptable to both you and the YMCA.

Please complete the application for Financial Assistance in full and bring it with you, along with your required income statements. A YMCA staff member will review your application with you. All information provided will be kept confidential. We expect the same confidentiality from you. Financial Assistance requires a commitment to make regular payments and to participate on a regular basis in the program for which assistance was provided.

If you have any questions regarding the Financial Assistance program please contact your local YMCA.
