Dear Parent and/or Guardian,

The YMCA of Northeastern Ontario – North Bay Branch, in keeping with our Mission, Vision and Core Values, believes in the development of healthy and confident children. Our programs and services are unique because of our commitment to supporting children and their families to ensure we provide the best possible care.

As a charity and non-profit association, we do our very best to try and keep our child care rates as low as possible. However, there are several factors that are contributing to this year's fee increases, including, the costs of living across the province and higher operational expenses. We will be moving forward with a child care fee increase in two-stages, therefore, please see the fees and timelines listed below.

Program	Current Rate	March 1, 2018 Increase	September 1, 2018 Increase
After School Care	\$ 10.00	\$ 11.00	\$ 12.00

On behalf of the YMCA of Northeastern Ontario, I'd like to thank you for your ongoing support and understanding; we look forward to another great year.

Should you have any questions, please do not hesitate to speak to your Centre Supervisor, or the Children's Services Manager.

Thank you for choosing YMCA Children's Services.

Respectfully,

Michel St-Louis
