

**North Bay
YMCA**
Aquatics Schedule
July 2 - September 9

PLEASE NOTE:

From August 7th – September 5th, 2018, the North Bay Aquatic Center will be shut down for extended annual maintenance.

During this annual shutdown, our pools will be undergoing a significant number of repairs and deep cleaning that will require the draining of all areas within the Aquatic Center. As a result, members and guests will enjoy a safer, cleaner facility, while most of the work will be done behind the scenes with the regrouting of all our tiles, along with general maintenance.

This important work is necessary to help keep our Aquatic Center one of the most modern and functional centers across YMCA's in Canada. Please stay tuned for any further updates.

If you have any questions, please do not hesitate to contact Michelle Ainger, General Manager at 705-497-9622 EX. 224, or by email, at michelle.ainger@ymcaneoc.ca or Brandon Fenton, Aquatics Supervisor at 705-497-9622 EX.228 or by email, at brandon.fenton@ymcaneoc.ca.

We look forward to reopening and serving you this Fall. Thank you for your continued support.
